PACKAGING

- Bold, retail-friendly packaging with easily identifiable colors for eye-catching displays and merchandising.

TWO SIZES AVAILABLE

- Paint is available in Quart and PintPlus™ Sizes. Dealers can choose which size containers and quantities they want to display.

MIX IT UP

- Mixable color palette with 16 pre-mixed colors allows the retailer to carry fewer SKUs and offer over 100 color recipes. New color recipes developed each season and customers can create their own.

ACCESSORIZE

- Complete line of accessories, including signature round brushes and paint squeeze bottles.

EASY INVESTMENT

- Low initial investment and easy reorder for just the color and quantities needed.

SUPPORT

- Complete dealer program support, training materials and technical customer service for product questions or concerns.

POS MATERIALS

- Signage with Paint Colors
- Rack Cards
- Window Cling
- Stir Sticks
- Digital Content Available
